Thanks. I have asked Jennifer McClain for materials or accesss to the materials.

What about OCSPP's role? Are there any OCSPP (OPPT and/or OPP) items referenced in the briefing materials? I know that other law offices have informed Melissa Hoffer, the Acting General Counsel, about program office issues that may be raised in a Friday meeting that Melissa appears to be attending. We are meeting with Melissa this afternoon and may want to at least touch on something if necessary.

Everything is on a Teams site. I think have to be "invited" by the owner.

I did raise OGC representation with the overall coordinator – she said I was not the only one who asked, so she is looking into it.

The invite for briefing is coming out of Administrator's office, so we don't control.

Tala,

I was a little bit late to get into that meeting with computer issues; are there any materials you could send to me? I'm just looking to be informed. Thanks.
